

COLLEGE PROFILE

At Evergreen Valley College, a community college located on a 160-acre site in the eastern foothills of San José, we take great pride in our approach to education. We place our students' learning needs first. For instance, will they need help with their language skills? Are they carrying other responsibilities like parenting or full-time jobs? Are they the first in their family to graduate from college? To all learners—those directly out of high school, in mid-career or mid-family transitions, and those who are enjoying their golden years—we offer a supportive environment that values their intrinsic experiences.
