

COURSE INFORMATION KEYS

Course Scheduling

Information regarding the days, hours, instructors, and rooms in which classes will be held in each semester and summer session is contained in the Class Schedule prior to the start of each term. The information is available online at www.evc.edu.

Registration

To receive credit, students must register in a course within the officially designated time. Auditing (attending classes without being officially registered) is not permitted. All students must be registered and all fees paid prior to attending any classes.

Semester Units

All courses in this Catalog are described in semester units.

Course Description Annotations

The courses in this Catalog have been annotated with codes to identify the grading options, transfer status to baccalaureate-degree institutions, and degree applicability. The following information explains how to interpret these codes.

Grading

The grading option for a course is indicated as follows:

L	Letter Grade Only
K	Mandatory Pass/No Pass
O	Optional Pass/No Pass
N	Non-Graded
P/SP/NP	Pass/Satisfactory Progress/No Pass

Degree Applicable

Degree applicability is indicated as follows:

A.A.	Applies to an Associate of Arts Degree
A.S.	Applies to an Associate of Science Degree
NAA	Offered in credit mode but does not apply to an A.A. or A.S. Degree
AA-T and AS-T	Associate Degrees for Transfer
NC	Non-credit course
District G.E.	Meets criteria for District General Education
CSU G.E.	Meets criteria for California State University General Education
IGETC	Meets criteria for IGETC (applicable to both CSU and UC system)

Transfer Status

Transfer credit is indicated as follows:

CSU	Course has been accepted by the CSU and will be on Baccalaureate list
UC	Course has been accepted by the University of California System

Course Sequence: Capital letters following the course number indicate that two (A, B) or more semesters form a sequence. The A semester must be completed before the B, etc., unless specifically noted in the course description.

Course Number and Titles: Course is identified by a course number and brief title.

Course Description: A brief statement identifies the scope and purpose of the course, and in many instances, the students who should take it.

A course may not be repeated for credit unless it is stated at the end of the course description. A counselor may require the student to obtain the instructor's written consent before instructing the student to enroll in a course if it is to be repeated for credit.

Units: Identifies the number of units that are earned upon successful completion of the course, or courses in a sequence.

Grading: Indicates the type of grading available for that course. For example, Grading: L means the course may be taken for letter grade only. All courses may be offered during the day, evening, and/or weekend sessions. The offering of any course described is contingent upon adequate enrollment.

Prerequisites and Corequisites

Definitions

"Prerequisite" means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program.

"Corequisite" means a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course.

Note: Prerequisites and Corequisites are listed under each course in the schedule of classes and catalog.

Prerequisite and Corequisite Challenge

A prerequisite or corequisite may be challenged for any of the following reasons:

1. The student has the knowledge or ability to succeed despite not meeting the prerequisite or corequisite
2. The prerequisite has not been made reasonably available to the student
3. The prerequisite has not been established in accordance with the District's process for establishing prerequisites or corequisites
4. The prerequisite or corequisite is discriminatory or applied in a discriminatory manner
5. The prerequisite was established in violation of Title 5

Verification of Equivalency

If the student believes that they have completed the prerequisite(s) or corequisite(s) for this course as listed in the schedule of classes or catalog based on previous coursework at another institution, they should have transcripts or other evidence of meeting the course prerequisite.

Challenge Process

If the student believes that they have completed the prerequisite(s) or corequisite(s) for this course as listed in the schedule of classes or catalog based on previous coursework or personal experience, they may do the following:

1. Complete a Prerequisite Verification Form and submit to the [Counseling Department](#).
2. If still unresolved, student can meet with the Instructional Dean in the discipline to present their case.

The College will provide a final response to the prerequisite challenge within 5 working days.

Advisories on Recommended Preparation (Advisory Levels)

Definition

"Advisory on recommended preparation" means a condition of enrollment that a student is advised, but not required to meet before, or in conjunction with, enrollment in a course or educational program.

Advisory Levels are typically met through completion of reading, writing, or math courses listed in the schedule of classes and catalog. Although these levels are advisory rather than mandatory, students are strongly encouraged to adhere to them and to follow the advice of their counselors related to the advisory levels.

Location

Advisory Levels are listed under each course in the schedule of classes and catalog.

Advisory Math Levels

Math levels are advisory only for courses outside of the math discipline.

Open Curriculum

An Open Curriculum class is a class that has no prerequisites, corequisites or levels of any kind. However, some courses, may require that placement test results be on file prior to the first day of class. Classes such as this with an additional requirement are marked with an * after the words "open curriculum."
