

# SOCIAL JUSTICE STUDIES- AFRICAN AMERICAN STUDIES – ASSOCIATE IN ARTS FOR TRANSFER

The Social Justice Studies-African American Studies is an academic program composed of courses that critically explore, through interdisciplinary means, the past and present experiences of African American minority groups in the United States. African American Studies program supports students in developing a critical consciousness and an understanding of social, political, cultural, and economic forces that have shaped the histories and current day realities of African Americans. The curriculum is grounded in the principles of social justice and self-determination of oppressed communities. This program centralizes the knowledge, epistemologies and critical thinking produced by racially and sexually oppressed subjects, and we endeavor to examine the entangled intersectionality of racialized sexuality, gender, and class in complex socio-historical processes. African American Studies students have followed many career paths that include: Education, Law, Social Work, Immigrant Rights, Administration of Justice, Civil Rights, Politics, Government, Community and Housing Development, Community Organizing and more.
