### LA 010 Introduction to Law, Legal Research, the Constitution, and Ethics 3 Units

This course provides an introduction to law, legal research, constitutional law, legal ethics, litigation, and the legal process while helping students build the foundational skills necessary to succeed in advanced paralegal courses and in professional careers. The course includes an overview of constitutional law and court systems, a survey of legal ethics, an introduction to legal research methods, and an examination of current careers for legal professionals. Course objectives include the development of a working knowledge of the legal system, acquisition of basic legal research skills, and an understanding of current ethical guidelines in the law.

 CSU GE: None IGETC: None District GE: None

**LA 071 Legal Research 3 Units**

This course provides the student with a working knowledge of the essential techniques used to research legal issues. Students will learn to find, select, and begin utilizing appropriate sources of law in the library and in online databases such as Westlaw and Lexis. The course covers primary sources of law such as federal and state constitutions, statutes, cases, and regulations, as well as secondary sources that include legal dictionaries, encyclopedias, digests, summaries, and articles. Students will learn how to update statute and case law using tools such as KeyCite and Shepard's citation indices. The course will include basic legal analysis and writing assignments which draw upon research results.
