

# PHILOSOPHY – ASSOCIATE IN ARTS FOR TRANSFER

The study of Philosophy helps one learn not what to think but how to think. It invites students to carefully analyze and thoughtfully respond to the fundamental ideas and concerns of the human experience: What is real? How can I know something is true? How should I behave? How should society be run? How do we achieve justice? The goal is to examine ourselves, our social context, our world, and the persisting questions regarding human thought and action. The AA-T in Philosophy requires the study of diverse and often competing belief systems. This is a challenging and exciting endeavor that can help us make sense of the events taking place in the world around us. The program also develops skills in analytical and critical thinking and writing that are excellent preparation for most professional and other careers, and is a particularly good foundation for the study of law.

The Associate in Arts in Philosophy for Transfer (AA-T) degree meets the lower division course requirements necessary for the California State University (CSU) system. Students completing the AA-T degree in Philosophy are guaranteed admission to the CSU system, but not necessarily to a particular CSU campus or major of their choice. Students should consult with a counselor for more information on university admission and transfer requirements.

**To be awarded the Associate Degree for Transfer, students must have the following:**

- Completion of 60 CSU transferable semester units. A minimum of at least 2.0 GPA in CSU transferable courses (note that a higher GPA may be required in some institutions).
- Completion of at least 18 semester units in the major with a grade of "C" or better. A "P" (Pass) grade is also an acceptable grade for courses in the major if the course is taken on a Pass/No Pass basis.
- Certified completion of the CSU General Education-Breadth (CSU GE-Breadth) requirements, or completion of the Intersegmental General Education Transfer Curriculum (IGETC) for CSU requirements.

**Please Note:** No more than 60 semester units are required for this degree and no additional requirements will be imposed by Evergreen Valley College.
